

WILL EISNER WEEK ***2016 PLAYBOOK***

CELEBRATE
WILL EISNER WEEK

MARCH 1-7, 2016

READ A GRAPHIC NOVEL!

WILL EISNER WEEK is an annual celebration honoring the legacy of Will Eisner, champion of the graphic novel. This international event is dedicated to promoting graphic novel literacy, free speech, and the sequential arts.

Will Eisner Week 2016 Poster

Dear Reader,

The Will Eisner Week Playbook provides information to help you and your organization plan your own event for 2016 and in future years. We hope it inspires you to join us in this annual celebration. Were he alive today, Will Eisner would be thrilled with the growth and appreciation of the graphic novel and how it is now accepted in schools, libraries, and museums. We know he would want to attend every Will Eisner Week event. Enjoy reading this year's playbook.

We look forward to hearing about your plans!

Danny Fingereth
Chair, Will Eisner Week

1. Will Eisner Week

Will Eisner Week is an annual event celebrating comics and sequential art, graphic novel literacy, free speech and honoring the legacy of comics and graphic novel pioneer Will Eisner, one of the most innovative figures in the history of comics and graphic novels.

Every year Will Eisner Week occurs in the beginning of March in conjunction with Will Eisner's birthday, March 6th. 2016 will be the eighth annual Will Eisner Week. The first Will Eisner Week was in 2009 with events in two cities and it has grown each year since. In 2015 there were almost 50 events held in 20 cities in the United States and internationally. With your help, we hope to exceed that number in 2016.

The Will Eisner Week Playbook will be a "living document" and we expect it to grow year-by-year with new contributions and new suggestions. The Playbook provides ideas and tools to plan, create, organize, and promote Will Eisner Week at your location.

You might be:

- a retailer
- a librarian
- an educator
- a comics scholar
- or a fan of comics and Will Eisner

We hope that this Playbook will inspire you to join us by helping to organize an event.

Will Eisner Week Event at MoCCA in NYC
LtoR: Karen Green, Dennis O'Neil, Judith Hansen, Paul Levitz

For more information visit www.WillEisnerWeek.com or email info@willeisner.com.

2. About Will Eisner: Creator, Publisher, Entrepreneur

William Erwin "Will" Eisner (March 6, 1917 – January 3, 2005) was a one-of-a-kind genius, that rare figure of whom it can be said comics and graphic novels as we know them today would not exist without him.

He was one of the pioneers to lead the American comic book industry, proving himself a master of a variety of artistic and literary styles. His landmark comic series *The Spirit* (1940–1952) was noted for its artwork and breathtaking experiments in content and form.

In 1978, Will Eisner popularized the term "graphic novel" with the publication of his book *A Contract with God and Other Tenement Stories*, which was then followed by three decades of extraordinary work, much of it examining topics in comics form that had never before been dealt with in that medium, much of it like the works of Saul Bellow and Philip Roth, dealing with the Jewish-American experience. His work also explored themes of love, death, loyalty, life in the big city, and more - including humor and science fiction.

Eisner was one of those rare practitioners who was adept at both the creative and business aspects of the medium. He owned most of the properties that he created and was a pioneer in the “comics workshop,” where groups of creators worked together. The list of comics creators who passed through his shop for training and employment en route to becoming accomplished, admired comics professionals themselves is amazing. They included Jack Kirby, Jules Feiffer, Al Jaffee, Nick Cardy, and many others.

Eisner was an early contributor to formal comics studies with his textbooks *Comics and Sequential Art* (1985), *Graphic Storytelling and Visual Narrative* (1995) and *Expressive Anatomy* (2005). He taught at New York’s School of Visual Arts for twenty years alongside other famous comic creators such as Harvey Kurtzman and Art Spiegelman. He was an evangelist and goodwill ambassador for comics, burning with a passion to show and tell people that comics stood on an equal footing with other storytelling media. As part of this, he lent his name to the prestigious Will Eisner Awards, the Oscars of the Comics Industry, presented each year at the world’s foremost comics convention, San Diego’s Comic-Con International.

Will Eisner passed away at age 87 in 2005, having just completed *The Plot*, a work of non-fiction and another significant graphic novel achievement.

Praise for Will Eisner

"Eisner was not only ahead of his times; the present times are still catching up to him." —JOHN UPDIKE (Pulitzer Prize winner)

"An American storyteller, like Ray Bradbury, like O. Henry." —NEIL GAIMAN (*Sandman, Coraline, American Gods*)

**"Eisner is the single person most responsible for giving comics its brains."
—ALAN MOORE (*Watchmen, From Hell*)**

**"Will Eisner created the world of comics as I knew it."
—MICHAEL CHABON (Pulitzer Prize winner)**

"He was a cartoonist other cartoonists swiped from...Will Eisner is a national treasure." —JULES FEIFFER (Pulitzer Prize winner)

**"Will Eisner is the heart and mind of American comics."
—SCOTT MCCLOUD (*Understanding Comics*)**

**"[Will Eisner is] an inspiration to several generations of cartoonists."
—ART SPIEGELMAN (*Maus*, Pulitzer Prize winner)**

3. Will Eisner Week Ideas

So where do you start? All successful programs have very simple beginnings and whether you run a comic book shop, a library, an independent bookstore or know somewhere to hold an event, we are providing you with some great options for launching your own Will Eisner Week program. Please read on!

Where Can You Host Your Event?

The venues for Will Eisner Week events have included:

- Retailers (bookstores & comic book shops)
- Libraries
- Schools of Art and Design
- Museums
- Colleges and Universities
- Pubs and Restaurants

Of course, events don't have to be limited to above venues. Other ideas are always welcome...

Partnerships Bring Great Opportunities

Will Eisner Week also provides an excellent opportunity for libraries, educators and retailers to connect and create a mutually beneficial network and support system. A retailer's goals for a Will Eisner Week event will be different from those of a library, college, art school, or even a tavern's. By the same token, the various venues can complement each other. A coffee shop or tavern may have a reading of Eisner's work, but could also partner with a local retailer for book sales at the event, and may also lean on the expertise of a local educator or librarian and so on.

Will Eisner Week Programming for Librarians and Educators

Starting on the next page are some ideas for starting a celebration of Will Eisner's contributions to the world of graphic novel literature. In most instances why not reach out to the local experts within your own community. As the graphic novel market continues to grow, so will the pool of incredibly talented experts. Most local creators will be thrilled to participate. Chances are that you already have contacts with the nearest university, or there's a teacher or two within your local school district who will lend their voices. It could also be of great benefit to create partnerships with other librarians, comic shop and independent bookstore owners for their support and participation.

Will Eisner Week Programming for Retailers

Below are but a few ways to host a celebration of Will Eisner's contributions to the world of comics and graphic novel literature. Reach out to the local experts within your community. As the comics market expands, so does your pool of talented local experts. They'll want to be a part of your event. Chances are that you already have contacts with the nearest university, or there are teachers in your local school district who can lend their voices. It would also be of great benefit to create partnerships with librarians and bookstore owners for their support and participation. And why not schedule a book sale for Will Eisner Week.

2015 was the 75th Anniversary of Will Eisner's *The Spirit!*

Will Eisner's *The Spirit* has been in print continuously almost from its initial appearance in the newspapers in 1940. *The original Spirit* Sunday series is still being published today by DC Comics and new *Spirit* comics by Dynamite Entertainment. At its peak, *The Spirit* had about 5 million weekly newspaper readers. It is still recognized today for its artwork and breathtaking experiments in content and form. Host a celebration of the of Will Eisner's *The Spirit* and invite local writers, artists, creators, and educators who should be happy to join a panel discussing the various incarnations of *The Spirit*. Or partner with a local retailer, schedule a book sale benefit, invite a comic book store to participate.

Will Eisner Week Means Something for Everyone

Who do you program for? Everyone! As a librarian or retailer, you can create a wide range of programs that can bring new patrons to your library or store. Programs can range from age-specific such as cape making or a draw-your-own comic book workshop to a sketching workshop with local models to attract a broad range of interested patrons of any age. Invite a local artist or comics creator to lead the workshop and you will have a great program for your library or store.

As a retailer, a partnership with your local library is a great idea. If you have very little space to host a medium or large event, your library may turn out to be an excellent venue. The partnership you create can become a long-term relationship that helps you both grow your audience.

The suggestions below are great starting points for your Will Eisner Week program.

AND DON'T FORGET TO PROMOTE!

Get the word out to the community via your local comic book shops, book stores, social media, and the local press. Use your website, Facebook and Twitter feeds, and email.

Readings From Will Eisner's and Other Creators' Work

Celebrate the works of Will Eisner with a group reading of *The Spirit*, *The Plot*, or any of Eisner's other great titles. Explore the cultural influences at work, Eisner's artistic style, use of light and shadow, illusion of motion and sound, and evolving story telling techniques through the comics medium.

How to Draw

As a writer, an artist and a publisher, Will Eisner was also a great teacher of the craft. As part of Will Eisner Week, local creators can be excellent ambassadors for introducing the craft of comics. Materials are simple: magic markers, pens, pencils, paper, and ideas.

Celebrating the Comics Medium: An Appreciation of Comics as Literature

Not only was Will Eisner one of the first true comics publishing professionals, he worked hard to show the public that given good content, comics are a true form of literature. During Will Eisner Week, titles such as *Persepolis*, *Smile*, *Blankets*, *Maus*, or many of Eisner's own works such as *Last Day in Vietnam*, *A Contract with God*, or *The Plot* can be used to demonstrate the wisdom of Eisner's convictions. Possible options include inviting local academics, educators, journalists, or creators as speakers and experts on the subject.

Panel Programs and Lectures

Hosting panel discussions on the comics medium encourages a vast array of ideas. With a well-planned approach, you will find there are many experts within your region who are willing to set aside an evening to speak about their passion, ideas and proposals for the world of comics, creators, and fans. Here are a few suggestions for great panel sessions

- Comics as a platform for political and societal commentary
- The Art of Comics
- The Influence of Comics on Other Media
- The History of Comics in North America and Around the World
- Comics and American Literacy
- Comics as Literature
- Comics for Students with Spectrum Disorders
- Comics and Science
- Comics and the Gifted Reader
- A Lecture by a local comics expert on an aspect of Will Eisner's career

Host A Film or Documentary Screening

Hosting a showing of Andrew and Jon Cooke's award-winning feature-length documentary *Will Eisner: Portrait of a Sequential Artist*, Marisa Furtado's *Will Eisner: Profession – Cartoonist*, or another film about comics creators is a great way to share an evening with fans of the comics medium. Or host a screening of a superhero film. Each showing can be followed-up with a discussion panel to explore the ideas presented in the documentary. There's more information about this in the *Plan Your 2016 Will Eisner Week Event* Section (Page 13).

Graphic Novel and Art Exhibitions

Set up an exhibit of graphic novels and art by Will Eisner and other creators. Showcase graphic novels about or by Eisner and others that put comics in a wider context. Examples would be the immigrant experience or the history of New York. (See *Selected Bibliography*)

Costume Contests and Fashion Shows

Host an event where participants dress-up as their favorite comics characters and superheroes. Use a graphic novel story or write an original play that can be acted-out.

Jeremy Dauber and Danny Fingerroth at a NYC event.

Eisner editor Diana Schutz leading discussion at a Portland event.

Fans celebrating at their local retailer.

4. Will Eisner Week Past Events

Will Eisner Week 2015 Events Provide Examples Of What You Can Do:

- Arkadelphia, AR: Henderson State University Huie Library International Graphic Novels
- Pine Bluff, AR: Jefferson County Library System
- Burbank, CA: LA CAPS Meeting & Panel "Our Favorite Spirit Stories and Why"
- Pasadena, CA: Pasadena Library Display of Eisner novels and authors inspired by him
- San Diego, CA: San Diego State University "Word Balloons" Exhibition
- San Francisco, CA: San Francisco Cartoon Art Museum Panel & Classroom Workshops

- Tiburon, CA: Belvedere-Tiburon Library Documentary Screening and Presentation
- Gainesville, FL: Sequential Artists Workshop Graphic Novel Projects
- Jacksonville, FL: University of North Florida Women and Graphic Novels
- Jacksonville, FL: Florida Northeast Region "Kids & Parents: Why Read Graphic Novels"
- Panama City, FL: Kat Kan's Graphic Novel Petting Zoo Presentation
- Savannah, GA: Savannah College of Art & Design Student projects & exhibits
- Baltimore, MD: Geppi Entertainment Museum Documentary Screening & kids workshop
- Boston, MA: Cambridge Library Children's Workshop with local cartoonists
- Lexington, MA: Cary Memorial Library Exhibition and Presentation
- Maynard, MA: Maynard Library Graphic Novel Display including books of Will Eisner
- Minneapolis, MN: Minneapolis College of Art & Design Student Workshops
- Kansas City, MO: Kansas City Public Library Graphic Novels in the Library event
- New York, NY: NY Society of Illustrators "The Enduring Influence The Spirit"
- New York, NY: NYC High School of Art & Design students presentation & workshop
- New York, NY: Parsons, The New School Ben Katchor's NY Comics Symposium
- Penn Yan, NY: Penn Yan Public Library Documentary Screening and Presentation
- Port Jefferson Station, NY: Port Jefferson Library Graphic Novel Presentation
- Raleigh, NC: Wizard World Raleigh Bob Andelman Panel on *Will Eisner: A Spirited Life*
- Bowling Green, OH: Bowling Green University "Will Eisner and Those He Inspired"
- Canton, OH: Malone University Library Graphic Novel display including Will Eisner's books
- Portland, OR: Portland State University Documentary Screening & Panel
- Portland, OR: Things From Another World Store Display of Will Eisner's Books
- Pittsburgh, PA: The Toonseum "In The Spirit: Read A Graphic Novel" exhibit
- Nashville, TN: Nashville Library Documentary Screening and Presentation
- Austin, TX Staples Center Comic Convention Pre-Convention Presentation
- Dallas, TX Titan Comics Store Panel Discussion and Will Eisner artwork on display
- Richmond, VA: Wizard World Richmond Tom Inge, Tom DeHaven

- White River Junction, VT: CCS Schulz Library Reception, Display, & Blog postings
- White River Junction, VT: Center for Cartoon Studies Sophie Yanow Presentation
- Seattle, WA: Emerald City ComicCon “Celebrating Will Eisner’s The Spirit at 75”
- Seattle, WA: Washington Middle School Library Graphic Novel Presentation
- Glasgow, Scotland: Dundee University Illustrate a script in the “Eisner Style”
- London, England: The British Library Scott McCloud spoke about “The Sculptor”
- Bologna, Italy Bologna Library Biblioteca Salaborsa Meeting
- Brazil, Rio de Janeiro Rio Planetarium Documentary Screening and Presentation

Will Eisner Week 2013 and 2014 Events Included:

- SAVANNAH, GA: The Savannah College of Art and Design, SCAD, hosted events run by Professor David Duncan featuring artist Kevin Cannon.
- SAN FRANCISCO, CA: The Cartoon Art Museum gave a presentation about James Bond as seen in comics including a little-known Spirit/James Bond crossover.

- WHITE RIVER JUNCTION, VT: The Center for Cartoon Studies Lecture on Will Eisner by Stephen Bissette.
- BURBANK, CA: The Comic Art Professional Society, CAPS Special Meeting

5. Plan Your 2016 Will Eisner Week Event

Will Eisner Week Resources

- Use this Playbook for ideas.
- Add your event to the Will Eisner Week website.
- Add your event to the Will Eisner Week Facebook page.
- Request annual Will Eisner Week posters.
- Request Will Eisner Week flyers and add your own event.
- Request a screening of *Will Eisner: Portrait of a Sequential Artist* or *Will Eisner: Profession, Cartoonist* documentaries.
- Ask for assistance to contact local experts and creators.
- Have your event added to Will Eisner Week press releases, e-mails, & twitter feeds.
- Selected bibliography of Will Eisner titles in the Playbook (Section 7).
- Special order graphic novel titles from distributors and publishers.
- Educational resources on the internet.
- Full list of Will Eisner's books
- Will Eisner biographical information (P. 4 of this playbook, Wikipedia Will Eisner listing, or the Will Eisner website, www.willeisner.com/biography)

Write to info@willeisner.com for any of the above.

Still need help?

Speak with a prior year event organizer:

E-mail info@willeisner.com for contact information.

Or talk to one of the members of the Will Eisner Week Organizing Committee:

- Danny Fingerroth (Chair), Author & Comics Historian, New York, NY
 - N.C. Christopher Couch, UMass, Amherst, MA
 - Jeremy Dauber, Columbia University, New York, NY
 - Marco Davanzo, ComicsPRO, Irvine, CA
 - Randy Duncan, Henderson State University, Arkadelphia, AR
 - Charles Hatfield, California State University, Northridge, CA
 - Benjamin Herzberg, World Bank, Washington, DC
 - Martha Kennedy, Library of Congress, Washington, DC
 - Katie Monnin, University of North Florida, Jacksonville, FL
 - Michelle Ollie, Center for Cartoon Studies, White River Junction, VT
 - Barbara Schulz, MCAD, Minneapolis, MN
 - Stephen Weiner, Author & Library Director, Maynard, MA
- E-mail info@willeisner.com for contact information.

Or to one of the Will Eisner Week Advisory Board members:

- Charles Brownstein, Comic Book Legal Defense Fund, New York, NY
- Tina Coleman, American Library Association, Chicago, IL
- Karen Green, Columbia University, New York, NY
- Denis Kitchen, Author & Cartoonist, Amherst, MA

- Paul Levitz, Author & Comics Historian, New York, NY
 - Diana Schutz, Educator & Will Eisner's Editor, Portland, OR
 - John Shableski, Consultant, Williamsport, PA
- E-mail info@willeisner.com for contact information.

6. Propose Your Will Eisner Week 2016 Event

We need to keep track of formal Will Eisner Week 2016 events in order to assure quality and provide support. Will Eisner Week events can be events that celebrate comics and sequential art, graphic novel literacy, free speech and thereby honor the legacy of Will Eisner. It's easy; just tell us what you'd like to do.

Get the Will Eisner Week event rolling by sending as much as you know:

Your contact information: (Name, Phone, Email, etc.)

Your proposed event - as much as you've decided - name, description, location, date(s) and time(s)

Please let us know if you're interested in including a screening of *Will Eisner: Portrait of a Sequential Artist*, which originally premiered at the Tribeca Film Festival, or the Brazilian documentary film, *Will Eisner: Profession - Cartoonist* written and directed by Marisa Furtado.

Let us know about your website, Facebook page, twitter feed, etc. And feel free to send questions and suggestions.

There is a Will Eisner Week 2016 poster (see the cover), a Will Eisner Week 2016 flyer based on the poster with space to publicize your event, a listing of the events on our websites and Facebook pages (with links to your website and Facebook page), twitter feed, and press releases including your event information.

Please e-mail the above information to info@willeisner.com
or fax it to 201-670-0724
or mail it to Will Eisner Week 2016
38 East Ridgewood Ave. #367
Ridgewood, NJ 07450
or phone it to 201-389-3330.

Do it as soon as possible in order to receive the best possible support.

Email info@willeisner.com with questions or for assistance.

Many Thanks!
